

# IS THIS THE FACE OF THE ENEMY?

Abortion advocates pit women against our children.  
But lack of emotional or financial support is the  
real enemy.

Feminists for Life believes that women should not  
feel forced to sacrifice our children for an  
education or a career.

If you would like to work on securing non-violent  
choices for women or need information on  
pregnancy resources, please contact us.
